CONNECT ALL USB/HDMI PERIPHERALS TO TAKE CONTROL OF THE ROOM WITH YOUR LAPTOP

INOGENI
Software tools

DOWNLOAD THE LATEST FIRMWARE

Take advantage of all features and compatibility levels that are now available.

Access advanced configuration features and control, diagnose or update firmware using the INOGENI MAESTRO device controller or via the MAESTRO LAN web page. TOGGLE DOCK 2x1 comes preloaded with the new MAESTRO LAN web page functionality. No updates needed!

1. Download INOGENI's MAESTRO device controller at: inogeni.com/support/software-tools/
2. Select your OS and click on the appropriate button to download the software.
3. Install the software on your computer.

You don't need any drivers to use your INOGENI product.

Since INOGENI uses the standard Windows/Linux/mac OS video capture driver, no driver installation is necessary. This ensures maximum compatibility with most capture and streaming applications.

CERTIFICATION, COMPLIANCE AND WARRANTY INFORMATION

FCC Radio Frequency Interference Statement Warning

This device complies with Part 15 of the FCC rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received including interference that may cause undesired operation.

IC Statement

This Class A digital apparatus complies with Canadian CAN ICES-3(A)/NMB-3(A).

CE Statement

We, INOGENI Inc., declare under our sole responsibility that the TOGGLE DOCK 2x1 to which this declaration relates, is in conformity with European Standards EN 55032, EN 55035, and RoHS Directive 2011/65/EU + 2015/863/EU.

UKCA Statement

This device is compliant with the Electromagnetic Compatibility Regulations 2016 No. 1091 as part of the requirements leading to the UKCA marking.

RCM Statement

This device is compliant with Regulator Compliance Mark (RCM) certification.

WEEE Statement

The European Union has established regulations for the collection and recycling of all waste electrical and electronic equipment (WEEE). Implementation of WEEE regulations may vary slightly by individual EU member states. Please check with your local and state government guidelines for safe disposal and recycling or contact your national WEEE recycling agency for more information.

Product operation and storage

Please read and follow all instructions provided with this product and operate for the intended use only. Do not attempt to open the product casing as this may cause damage and will void the warranty. Use only the power supply provided with this product. When not in use, product should be stored in a dry location between -20°C and 70°C.
